a wonderful thing

-Chronic homelessness
down 90%!

NEWS: Utah solves homelessness

2

Or did it?

- Questionable methodology sows doubt
- Facts abt homelessness in Utah

Homelessness in Utah 2005-2018

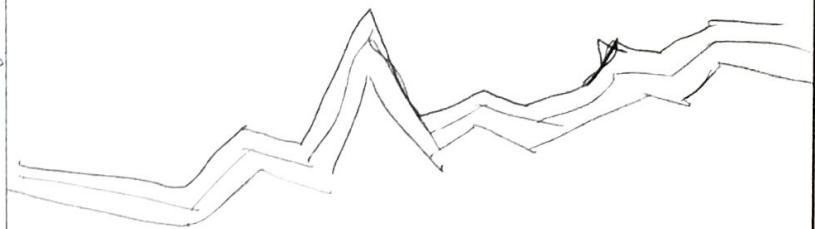

3

of Hmles students is on the rise in Utah

- fewer on the streets, but bulk is households shoved into spaces not meant to fit that many people

Student Homelessness 2007-2017

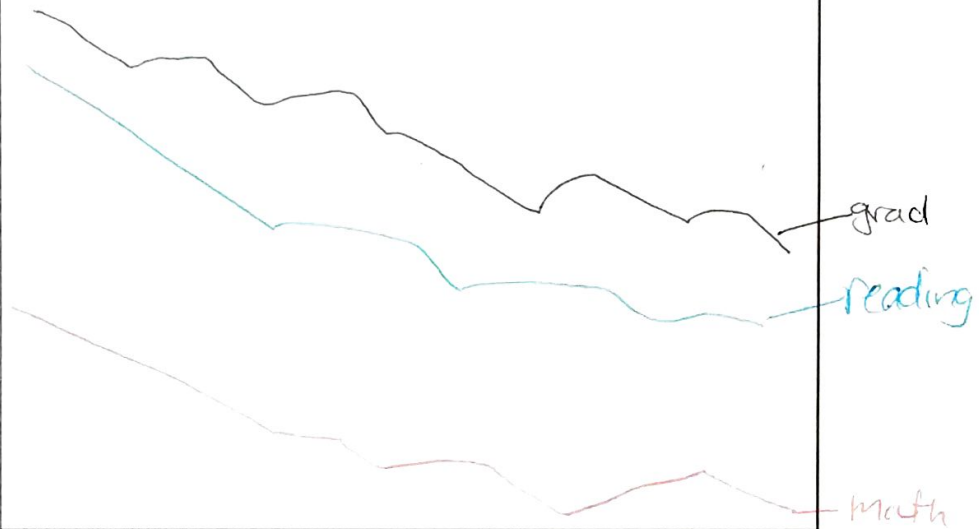

4

These Students
are being left
behind

- graduation rates
and achievement
rates are dropping
among homeless
students

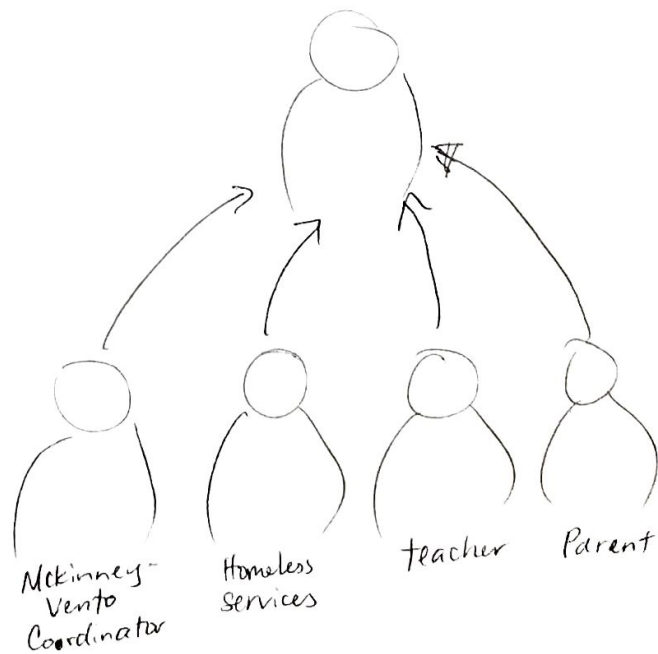

Hmhs Student Achievement 2007-2017

5

Community support
is key to helping
these students:
schools jump in to
help!

- schools examples
in PA
- example of success

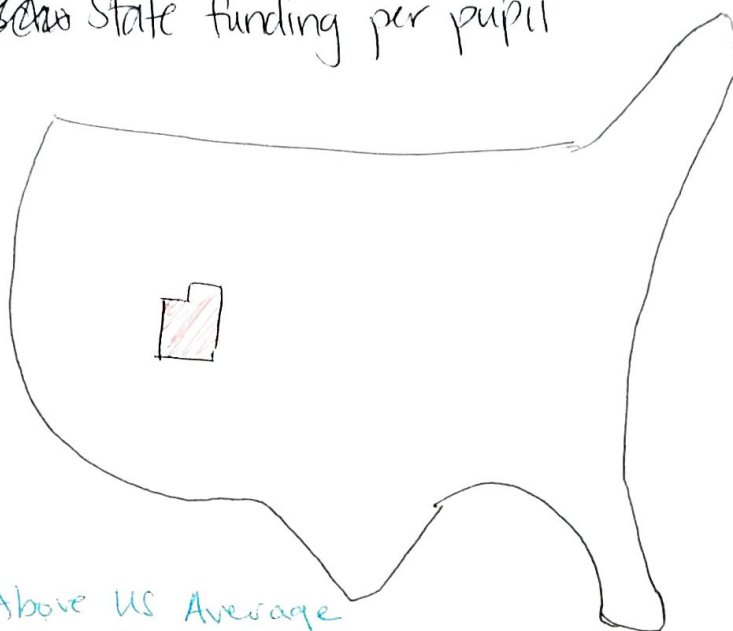

6

But Utah doesn't have the resources to help

- lowest per pupil spending
- Utah gets cents on the dollar that it collects in taxes
- Outline of how Utah funds schools

~~Show~~ State funding per pupil

Above US Average
Below US Average

7

something → Utah's students are valued ~~show them that~~

- We can make housing first work for everyone
- really push Utah to be the ~~top~~ best place for solving homelessness
- urge lawmakers to change funding strategy + change the constitution
